## AQUATIC CENTER RULES AND REGULATIONS

Our goal is to provide a safe and fun environment with extraordinary customer service for every guest. Staff reserves the right to enforce other rules which may not be listed to maintain a safe and healthy aquatic environment. Please help us achieve this goal by adhering to the following policies:

### General Aquatic Facility Policies

- For your safety, American Red Cross certified lifeguards are on duty at all times. Please obey lifeguards at all times. Staff reserves the right to ask patrons to discontinue use of the facility for safety reasons.

- Persons with an open wound, rash or infectious communicable disease will not be admitted into the pool. Anyone who has experienced a stomach or intestinal illness within the past two weeks should not enter the water.

- During periods of low attendance, attractions may be closed.

## LAP SWIMMING ETIQUETTE

The Aquatic Center strives to provide an atmosphere that welcomes swimmers of all ages and abilities to use the facility for a variety of aquatic fitness needs. Please be courteous to other swimmers and remember to share lanes, especially during high volume times.

**Lane Designations** - We have designated lanes for slow, medium and fast swimmers. When choosing a lane, join with a swimmer who matches your speed, then notify the swimmer that you are joining them. Lodge staff may ask lap swimmers to change lanes as needed.

**Ask Questions** - Ask the lifeguard for help if you would like to know how long workouts have been in progress or what lane matches your workout level.

**Treading Water** - If you are treading water, please be mindful of other swimmers and choose a slow lane to tread in. You must be treading continuously back and forth.

**Water Walking** - Water walking is not allowed in the lap swimming lanes. Please use the shallow area outside of the lap lanes for water walking.

**Sharing Lanes** - Two swimmers: May each take one side of the lane. Three or more swimmers must circle swim.

**Circle Swimming** - Swim on the right side of the lane leaving the center of the lane open for passing. If you need to pass a fellow swimmer indicate this by tapping the person on their foot and then quickly pass in the middle of the lane, being cautious of oncoming swimmers.

**Joining a Workout** - If there is a workout set in progress, you may only join as part of the set.

**Speed** - Slower swimmers must yield to faster swimmers.

**Passing** - Pass on the left by gently tapping the swimmer on their foot.

**Ages** - Lap swimming is for all ages as long as you are continuously swimming.
